

GLOBAL RESCUE MEMBERSHIP BENEFITS PROGRAM

Travel protection services: Your most important member benefit in 2020 and beyond

Traveler concern for health and safety is greater than ever, which makes now the perfect time to upgrade your benefits mix.

Join organizations and associations across the world who proudly offer Global Rescue travel protection services as part of their membership benefits. Some of our core services include:

- + Travel Assistance 24/7/365
- + Evacuation and Advisory Services
- + Worldwide Field Rescue
- + Travel Planning Resources
- + Global Telehealth Access

WHY EMBED GLOBAL RESCUE SERVICES?

Attract and Retain New Members

The Membership Benefit program was designed to ensure all of your members have access to critical travel services whenever they are traveling.

Expert Advisors

Our in-house experts have decades of experience helping our members and our partnerships include the Johns Hopkins Emergency Medicine Division of Special Operations, Elite Medical Group and Partners HealthCare.

Only the Services Your Members Need

Select only the services that best meet the needs of your members and your budget.

Increase Revenue

Earn commission on membership upgrades and travel insurance purchases.

SUCCESS STORY: THE AMERICAN ALPINE CLUB

Since collaborating with Global Rescue, AAC memberships have more than tripled. AAC members consistently rank Global Rescue's services the most valued benefit of AAC membership.
