

PREPARE FOR

THE FUTURE OF BUSINESS TRAVEL

WITH GLOBAL RESCUE

In a world impacted by COVID-19, businesses will need to plan like never before to ensure their people get back on the road safely and responsibly. We work closely with our clients to provide integrated travel risk and crisis management solutions customizable to the needs of each organization.

Some of our services include:

- + Employee tracking and pre-trip intelligence reports
- + Real-time event alerts specific to your travelers
- + Emergency medical assistance
- + Medical and security advisory and evacuation
- + Worldwide field rescue from point of injury or illness
- + Global telehealth access
- + Customizable emergency action plans

62% 

OF EMPLOYERS

believe coronavirus will change the way their company conducts business once the threat is over

>50% 

OF COMPANIES

expect to resume travel to countries or regions that have been canceled or suspended in

2-3 MONTHS
